Last week, a flood stormed through the Isolo Church of Christ building and the apartment of our Bro. Matthew Fola in Nigeria. He has written a description of the destruction. Hopefully, Mission Printing will be able to have some booklets printed for that area soon. If you would like to give some funds to Matthew and Emma and their 3 children, please give it to one of our elders Sunday:

FLOOD in Lagos last Friday. Six hours of a heavy down pour had serious negative effect in the church. It took 12 hours before the gutter we constructed could be visible. The entire area was flooded with water. The few remaining boxes of tracts were soaked. Those we stamped for our coming August 14th house to house evangelism are also soaked. Since Friday I have been trying to dry some despite continuous rain. It has serious effects on my apartment too. My printer and Television were soaked. My 3636 printer and Chairs were outside, all soaked. Shoes and study materials in my room were all destroyed. We are now using church open hall upstairs as living quarters. Since we never insulate it, the cold is too much. The flood destroyed our food stuff rice, cassava powder, Gari, etc. Our foams and bedding are all affected. My daughter who is starting her West Africa Examinations in August lost her notes and text books. The flood affects many of my members too. Today's service was greatly affected as many did not come to service because they are busy washing and cleaning their houses. Now, we have no more tracts for anybody until we receive the 2022 Container. The flood affects me and the church and the Mission Printing tracts too much. Please help inform the church about our ordeal.

Some of the pictures are on the back page of this bulletin for you to see.

Thanks and God bless,
Matthew and Emma

Matthew 7:12

Therefore, whatever you want men to do to you, do also to them, for this is the Law and the Prophets.

Wearing a face mask is not mandatory and it will be your choice to wear a face covering into and out of the church building. We will still provide a mask if you need one. The Elders still want us to be safe and protected from the virus.

All other events are still cancelled until further notice.

Please continue to watch the weekly sermons or listen to them on our website or CD if you are not comfortable in attending Sunday Morning Worship service at the present time. The lessons have been excellent.

Updates:

Janice Daniel's 4 month old great-grandson, **AJ** is in Children's Hospital in Little Rock, AR. They are running tests on him to find out why he is not gaining more weight. So far, the tests that have been run on him have been normal. Today he is scheduled for an MRI. Please keep this young family in your prayers.

As is the case in many families, communication breaks down. **Sister Lafon Simpson** learned last week that her brother, **Lewis Hooker** had passed away almost a year ago. We extend our Sympathy to **Lafon** and her family.

Please remember that even though we can't get out to visit our shut-ins, we can call them on the phone, email them or send them cards. It's very important that we stay in touch with each other during this pandemic.

There are new **Spiritual Sword** and **Christian Courier** reading materials in both foyers for you to pick up and take home to read. They contain many good articles. Please take as many of them as you want.
